Good news for central Indiana DMR users! Aaron Donaldson, N9ALD, has purchased the Indy DMR machines, and has connected the UHF repeater back to the internet. It is still on the Brandmeister network as before. It appears the VHF machine is not up currently, but should be at some point. Also, stay tuned for updates on the return of a Hendricks County DMR repeater.

## **SILENT KEY ARCHIVE ONLINE**

It appears that this online SK archive has been active for almost 10 years, but I just heard of it. The Archive is similar to a Wiki, where anyone can add or edit a memorial without first obtaining a login ID or password. Submitted content will be reviewed by The Archive, edited if necessary, and added to The Archive's digital library upon approval.

Point your browser to <http://www.silentkeyhq.com> to check it out.

### PRICE?

There is hardly anything in the world that some man cannot make a little worse and sell a little cheaper and the people who consider price ONLY are this man's lawful prey.
